LETTER FROM THE PRESIDENT AND CHAPLAIN, AUGUST 2007

August 23, 2007

Our dearest friends and brethren in Christ:

“Unless the Lord builds a house, the work of the builders is useless” (Psalm 127.1)

Today in our first message to those who conform our work team, we place in the hands of the Lord, our Shepherd and Guide and of His Holy Mother, the Madonna of Fatima, our work of the coming three years as President Couple and Advisors of the ICCFM. In this same spirit, we would appreciate the following:

- **A good communication is essential to maintain us united, remembering : “that they will be one, just as you and I are one, Father—that just as you are in me and I am in you” (John 17.21). This unity will be achieved only with the support of all of you: acknowledging receipt whenever you receive a message; responding with promptness to the consultations that are made and avoiding to keep for yourselves or to file the material that is received, without sharing it with others.**
- **That we all pledge our best intentions to pray for each other. The force of our prayers will accompany us who conform our team, contributing to the fulfillment of the objectives of the work which each one performs. “You can ask for anything in my name and I will do it, because the work of the Son brings glory to the Father” (John 14.13).**
- **We would greatly appreciate receiving from the Continental Presidents their Work Plan, and from those who are in charge of any Special Committee, their functions. This information is needed to prepare the Global Work Project.**
- **The Lord wants us to become one big family, the great human family where Peace, Justice and Freedom will reign and all our efforts are directed towards that goal. May His Holy Spirit guide us, in spite of the distance, to work together in the construction of His Kingdom.**

A warm embrace to all of you,

**William & Esilda Cheng, President Couple, ICCFM
Fr. Jose Majadas Gomez, Chaplain, ICCFM**
