FAMILY PRAYER

Oh God, the source of love and life!
We ask that you look
with mercy to our families.

Do, that we become,
true sanctuaries of Love and Life .

That we love, we forgive and help us
that we educate and form our children
in human and Christian values.
That our children live and grow
on the values of the Gospel of Jesus Christ.

That each family assumes commitment,
to defend the unity and integrity of the family
away from this, the signs
of death and destruction that threaten it.

Promoting the gifts
life, love, justice and peace
strengthening stability in defending their rights,
making of our family a **Domestic Church** .

Hearing the Word of God
and celebrating the Sunday Eucharist.
Praying for You, Father, Lord of the harvest,
bless our families
with priestly and religious vocations and committed laity people

We ask this through the intercession of the Holy Family
of Nazareth: Jesus, Mary and Joseph.

Amen.
