"I am the way, the truth and the life."

Today the Gospel according to San Juan, chapter 14, is precious. The same Jesus is the one who speaks about his divinity: "do not you believe that I am in the Father, and the Father in me? What I say I do not speak it freelance. The Father, who remains in me, himself does his works. Believe me; I am in the Father, and the Father in me. If you do not believe it believe to the works. I assure you: the one that believes in me, also he will do the works that I do, and still major. "And what to say of the reading of the First letter of Peter: where he says to us that we are a chosen race, and royal priest.

What has happened to the Christians today? We continue without understanding as the first disciples, that still being with him several years, they were not understanding? We do not understand that we have been liberated by Christ's resurrection, and all that believes in him will have eternal life. What little faith we have! The same Jesus Christ has presented us physically to the Father. He is the visible God of the invisible God. And still we do not believe. Deservedly he called Thomas "man of little faith". It would call us to equal today. Have we accepted Jesus as the Way? Is he Jesus for us the Truth and the Life? If it was like that, our life would not be loaded with so many hopelessness and we would be fill with pleasure. What has happened with the Holy Spirit in us? We receive it in the baptism, in the confirmation, in our First Communion, and what have we done with this gift that the lord has given us? What ungrateful persons we are!

Peter says to us in his letter that also we, "as alive stones, we enter the construction of the Temple of the Spirit, forming a sacred priesthood, to offer spiritual sacrifices that God accepts for Jesus Christ. The Writing says: "I place in Zion an angular, select and precious stone; the one that believes in it will not be defrauded".

Jesus is this Stone so do we. How it is possible that with such a wonderful gift we are wasting the benefits that carries to be these precious stones to the Gods presence ? If indeed we are believers, this stone (Jesus) is of great price, "but for the incredulous ones it is the stone that the builders rejected, this one has turned into angular stone, into stone of stumble, and into a crashing rock. And they stumble on not having believed in the Word: this it is his destination. You are a chosen race, a royal priesthood, a consecrated nation, a people acquired by God to proclaim the exploits of the one that called us to going out of the gloom and to entering his wonderful light. " (1Peter 2,4-9) how Jesus has been upset with us!

The council Vatican the IInd already 50 years ago has repeated us, this letter of Peter, but we continue without committing "to continue the exploits of Lord". The Council says to us that we have to: "continue, under the guide of the Holy Spirit, the Christ's work, who came to the world to give testimony of the truth, to save, not to judge, to serve and not to be served". (Gaudium et Spes Not. 3) God helps us!

"Let the Holy Spirit guide the mission of proclaiming the Gospel of marriage, family and life in the world"
